LMU STAFF, IT’S YOUR LIBRARY, TOO!
SUMMER 2010 WORKSHOP DATES

Do you have a little breathing room in your schedule this summer? If so, consider joining us at the library for one (or more!) of our staff workshops. Brush up on your research skills, learn about some new tools, or just get an insider’s view on what the library has to offer you, both for work and leisure. Workshops open to staff and faculty. If space permits, students and alumni may also register.
